

13rd April, 2011

To Whom It May Concern

We would like to prove that Lifa Air had provided the air duct cleaning services for APM vehicle in Hong Kong International Airport Restricted Area under maintenance by MTRC for Airport Authority in April 2010.

Lifa Air had submitted the cleanliness report to support for the cleaning result. During the air duct cleaning process, its engineer and the working crews had provided the friendly engineering and customer services and complete the task on schedule.

Yours sincerely,
